

# Beautiful Manukau

Issue 18: February 2015

The Manukau Beautification Charitable Trust team promotes, supports and undertakes programmes, actions and initiatives to beautify Auckland. We achieve this with the help of Auckland Council, our sponsors and the community.

## BOOMER BUSINESS - GRAND OPENING

MBCT Board Chair, Pat Taylor, officially opens Boomer Business

Above and below: The Boomer Business workshop boasts some serious tool-power!

On 12 February the Trust celebrated the opening of it's variation of the men's shed concept. The initiative's new name was also announced at the grand opening - 'Boomer Business' is now in business!

Based at our offices in Manurewa, Boomer Business is a fully functioning workshop, kitchen and craft space for men and women baby-boomers aged over-50 to share ideas and skills and work on projects. With the tag-line 'Entrepreneurship in Retirement' we hope it will also foster community engagement in local beautification projects run by the Trust.

Boomer Business is open 9.30am-12.30pm Tuesdays and Fridays.  
Business is already booming!

Above: Boomer Business Project Manager, Anita Curlett, and guest ... celebrate the workshop opening with a few twirls around the dance floor.

Nive from Erin Park Rest Home enjoys some swing dancing at the event.
