

# Beautiful Manukau

Issue 19: April 2015

The Manukau Beautification Charitable Trust team promotes, supports and undertakes programmes, actions and initiatives to beautify Auckland. We achieve this with the help of Auckland Council, our sponsors and the community.

## EYE ON NATURE, 24-28 MARCH 2015

A few rain showers didn't keep the crowds away from this year's Eye On Nature event at the Auckland Botanic Gardens.

Around 8,000 people got close to nature and enjoyed the huge range of hands-on activities, games and entertainment. We also transported 1500 year 5 and 6 students to our Eye On Nature School Days from 24-26 March to participate in educator-led sessions on a range of environmental subjects.

See over for our competition results and photos.
